Worship and Family News

Therefore do not be ashamed of the testimony about our Lord, nor of me his prisoner, but share in suffering for the gospel by the power of God, who saved us and called us to a holy calling, not because of our works but because of his own purpose and grace, which he gave us in Christ Jesus before the ages began, and which now has been manifested through the ap-

pearing of our Savior Christ Jesus, who abolished death and brought life and immortality to light through the gospel, for which I was appointed a preacher and apostle and teacher, which is why I suffer as I do. But I am not ashamed, for I know whom I have believed, and I am convinced that he is able to guard until that Day what has been entrusted to me.

If you would like to receive a substantiation letter of your 2020 donations for tax purposes, please contact Bill Werner. The IRS requires written substantiation for deducting any contributions of \$250 or more. Because the threshold for itemizing deductions increased significantly a few years back, fewer people reach this threshold and therefore Bill is requesting you contact him if you need such a letter.
