Jim Bell, a friend of Jim Anderson and a minister in VA, who had contracted COVID and was symptomatic is now recovered and back in the pulpit. Thank you, Lord.

Donte, grandson of Donna Beard, is doing better with the regulation of his blood sugar. Thank you, Lord.

If you would like to receive a substantiation letter of your 2020 donations for tax purposes, please contact Bill Werner. The IRS requires written substantiation for deducting any contributions of \$250 or more. Because the threshold for itemizing deductions increased significantly a few years back, fewer people reach this threshold and therefore Bill is requesting you contact him if you need such a letter.
