WEDNESDAY NIGHT DOLLAR DINNERS . As summer reaches an end, last week [July 28] was the last of the Wednesday night dinners. We thank everyone that participated in this outreach of fellowship.

We have recently put all the air conditioners within the church building on programmable thermostats (except the library which is always on). They are set to 80-81 degrees thru the week, and to cool the building on Sunday and Wednesday nights. If you need to set the temperature during the week, please do not put the thermostats on HOLD as this will prevent them from cooling the building as programmed for Wednesdays or Sundays. If you need to cool the building during the week, simple set the temperature you want, the thermostats will reset automatically if they are not put on HOLD.

Gal 5:13-14
 You, my brothers, were called to be free. But do not
 use your freedom to indulge the sinful nature ;
 rather, serve one another in love. The entire law is
 summed up in a single command:
 "Love your neighbor as yourself."
