Worship and Family News

Ephesians 6:1-4

Children, obey your parents in the Lord, for this is right. “Honor your father and mother”—which is the first commandment with a promise—“so that it may go well with you and that you may enjoy long life on the earth.” Fathers, do not exasperate your children; instead, bring them up in the training and instruction of the Lord.

# Prayer Needs

**Dave Pepin**, Paul's brother, is not doing well. His staph infection has done considerable damage. He may be bleeding internally. A second surgery is scheduled. The doctors are considering amputating his left arm at the shoulder. Even if they don't remove the arm, it will not be useable. Please pray for a positive up-swing in Dave's health.

**Vicky**, Jim Anderson's sister, and **Dawson**, Jim's grandson, had medical procedures and are still awaiting results. Please pray for them.

**Pat**, Bill and Thelma's neighbor, is struggling with breast cancer again. She just started a 12 week round of chemo. Please pray for her.

**Kara Baker and her family** need prayer as Kara tends to her daughter, Jordan, who fell and broke both ankles. That means her daughter, her two grandchildren, and a dog will be moving in with her for 6 weeks.

**Shea Vines** has requested prayers for her mom who had a stroke and is having other health issues.

Linda Bradford's 3-year-old grandson, **Hudson**, got 3rd degree burns and 1st degree burns over much of his legs. Please pray for his healing.

Update/Praise Report on **Janny**, June Vogt's sister who has osteomyelitis. She's had it for 3 years. It turns out she had MRSA. Now the doctors have something they can treat! She is relieved to have a name for her ailment! Thank you for your prayers. Please continue them. Father, thank you, for the progress.

**Brett Wool's dad's girlfriend** was hit by a car and will be undergoing shoulder surgery. Please pray for all involved.

Please pray for the **Beard** family. One of the things they need is work.

Please continue to remember **Belinda Cowdrey's mom and dad** as they adjust to a new paradigm for their lives.

**Eunice Conn** requested prayers that she might be able to keep the sight in the one eye left to her. Doctors are struggling to keep her sight.

**David Autry** is in the hospital with bladder issues. Please pray that God will use Dave and Sue to Glorify his name.

# Family Happenings

**SonQuest** will be happening this September in Orlando. If you would like information, please check the bulletin board for the flyer or look it up online at <https://www.sonquest.com/>

## Prayer Needs

**Anna Lee Burchett**, a 6 year old 2nd cousin of Donna Beard, has leukemia. She loves cards, so Donna has asked that anyone who can, please send her one. The address is 1609 Dyer Creek Road, Cookeville, TN 38501. If you've not done this yet, please do.

Please pray for the **Tucker family** (they are in-laws of Linda Bradford). Karen is still in ICU on a ventilator.

**Sidney Williams, Jr.** interviewed for an Administrative Judge position for the military. Please pray that if it is God's will, he gets the job.

**Bill Gordy**, Linda Bradford's almost son-in-law, is in the hospital with blocked intestines and a blood sugar level of over 400. Please pray for his health.

## Praise Reports

**Ryan Wools**, Brett's brother, was offered the position as Sales Manager at Charter! God is good. Thank you, Father!

**Jim Conn** is home from the hospital and feeling well! Linda is sleeping better as a result. Thank you, Father!

**Charles Mortimer**, father of Michaela Mortimer, is recovering from COVID-19 and is doing well and moving around. Thank you, Father!
